A message from Miss Towler...

Dear parents and carers,

It has been another great week at school and it has been wonderful watching the children enjoy their learning. In team Jupiter the children have hit the ground running with their new creative curriculum topic 'Marvellous Me'. In Saturn the children are loving learning all about 'The Beatles' and in team Neptune they are busy learning about how to 'Save our Planet'. See what your child can tell you about their learning.

I had a great time last weekend with those children who came along for our annual KS2 Kingswood residential. Huge thanks to Mr Parkinson for organising this year's trip and for supporting the children alongside Mr Sands and Mrs Watson who deserve a big thank you too! There were some very sleepy children on Sunday when we returned!

Best wishes, Caroline Towler
Headteacher
