A message from Miss Towler...

Dear Parents and Carers,

Well we have had another fantastic week in school and it has been lovely to see our teams back in the swing of things now. We have continued to support the children who have found the changes to their routine more of a challenge through our weekly wellbeing sessions with Miss Bell and are happy that everyone is feeling very much settled now.

Thank you to those parents who joined Mrs Bartlett, Miss Bell and myself to discuss the RSE curriculum which we will be beginning to deliver after Easter. It is always useful to have your parent viewpoint and the meeting helped us further consider the way in which the children will be taught this important part of the curriculum moving forwards.

Hopefully we will continue to enjoy some spring sunshine before we break up for Easter. We look forward to speaking with our families on Wednesday and Thursday next week for Parents' Evening. Please make sure you have booked an appointment.

Have a lovely weekend, Caroline Towler, Headteacher

Parents Evening on School Cloud

As you will be aware, Parent Evening appointments will be via School Cloud next week. This means Parents and Carers will be able to have face to face appointments with your child's class teacher. The appointments will be held on Wednesday and Thursday next week (24th and 25th March). Please make sure that you have booked your appointment following the guidance in the ParentHub letter that was sent out on Monday. If for some reason you have not been able to do this please let us know so that we can support you with this.

To ensure that families are fully prepared for the meeting our teaching team will be sharing some next steps that would be useful for your child to focus on over the next term. These will be sent home with your child.

Our school attendance:

Our school attendance target is 97%.

Last week's whole school attendance was: 99% (WOW!)
