## *A message from Miss Towler...*

Dear Parents and Carers,

It has been a fab week in school and at home. Lots of fantastic learning has been shared on Seesaw, Tapestry and Google Classroom. I am incredibly proud of the resilience and determination that our home learners have shown at a time which I know will have been a challenge for so many. We are all very much looking forward to welcoming back the children who have been at home over the last couple of months.

*Can't wait  
TO SEE YOU*

In my assembly this week I talked to the children in school to discuss how we can support the members of our team that have been learning at home once they return. As we come back together as one team next week we will work hard to support the children's wellbeing and ensure they settle smoothly back into school routines.

We have lots to look forward to before Easter including Comic Relief and can't wait to get back in school with every member of our fantastic team!

See you all on Monday!  
Caroline Towler,  
Headteacher

## This week's purple book nominees are...

Please see the video below to find out who has been impressing the adults for some great learning and fantastic attitudes this week. I know it has been very difficult to choose the children who have stood out as there are so many superstars. Well done to all the successful children at home and at school. Hopefully this is the final video assembly now!

## World Book Day - Thursday 4th March

*'How do poems grow? They grow out of your life' ~ Robert Penn Warren*

*This year for World Book Day we decided to focus on poetry. This included performing it, reading it, writing it and rapping it! For Powerful Poetry World Book Day we enjoyed reading lots of different poems. It was wonderful to read so many of our children's poems which they produced throughout the day both at home and school.*

*It was very tricky to choose our favourite poems but the final decisions were made and the teachers chose some wonderful mini poets for book prizes. The winning children will be announced on Monday in our welcome back assembly.*
