

Marvellous Me

Autumn 1

Marvellous Me

We will be exploring our own feelings and sharing a selection of stories about different emotions. We will be learning about ourselves and talking about our families. We will also look at the human body.

Exploring my feelings

We will learn to identify our own feelings and the feelings of others through carpet sessions and within our classroom environment.

How are you feeling?

We always try to follow children's interests so sometimes we change what we are learning on a daily/weekly basis.

People who help us

We will be learning about people who help us in our community. We will then be looking at Autumn, Halloween and Bonfire Night.
