

The opportunity to develop skills and talents in all curriculum areas e.g. music, cookery, arts, sports, acting

To have an understanding of other cultures and our global community including the challenges that changing cultures can have eg immigration and the risks we can pose to our global environment

To understand how to act appropriately in a range of different contexts - using appropriate manners, showing respect to others, communicating to a wide variety of individuals e.g Police Officer, Reverend, shopkeeper, librarian, elderly people, along with their peers

To recognise the importance of keeping ourselves safe in a range of contexts including internet safety, stranger danger, road safety and the importance of the emergency services (first aid, police, fire, water)

To perform in a range of circumstances: church Harvest Festival, Carol concerts, plays, dance shows, sports tournaments

Our Curriculum Vision for the pupils at Tadcaster Primary Academy

To experience visits beyond the local community that link with history, geography, the wider world e.g. visit a castle, make a trip to the seaside, go to the theatre

To have aspirations for children's future by interviewing successful professionals, visiting university, colleges and learning about the world of business

To explore another language and develop a deep understanding of the culture relating to the language e.g. food, drink, history, music, lifestyles

To understand the importance of living healthy lives - regular exercise, looking after our well being and mental health, healthy balanced diet - avoiding becoming overweight, too many sweets and the impact these can have on our teeth, the dangers of drugs and alcohol abuse

Recognition of a range of groups in society and how we can support them if they need help: homeless, elderly, underprivileged, vulnerable groups
