WHAT PARENTS SAY

My child has settled very well into the Foundation unit and the team has been warm and welcoming which has ensured a smooth transition from his previous nursery. Thank you for everything you do.

TPA is a gem of a school and we feel that it's just the right school for our child. Each and every staff member we have met so far has really sung the ethos and we thank you all from the bottom of our hearts.

My child has very much enjoyed her first year at school and has flourished with your support. She has been particularly enthusiastic about her interactions with the natural world.

The care you have for the children has always shone through. Thank you so much.

Come and see for yourself!

We'd love to show you around – get in touch and we'll give you a tour.
