

# Come fly with me over land and sea

Summer 2022

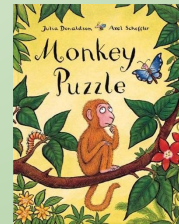

## Our world landscapes (1 week)

As part of our 'come fly with me over land and sea' topic we will be looking at the world's 'landscapes' such as, african plains and jungles! The children will be fully submerged into african plains and going on safari!

## Down in the Jungle! (2 weeks)

The children will be learning all about jungles! We will be reading the stories 'Monkey Puzzle' by Julia Donaldson and 'Rumble in the Jungle' and we will be focusing on rhyming word. We will then create our own rhyme!

We always try to follow children's interests so sometimes we change what we are learning on a daily/weekly basis.

## The Queen of our land (1 week)

We will be spending a week learning about our Queen and the very special Platinum Jubilee. The children will have a themed learning week and we will incorporate castles into their learning.
