A message from Miss Towler...

Dear Parents and Carers,

What a lovely start to the week it was with the children arriving into school wearing yellow for World Mental Health day ~being kind to our mind. This was followed by our Harvest Festival on Tuesday. Thank you to all those Parents and Carers who came along to celebrate this with us at St Mary's Church. It is always lovely for us to get together and we certainly enjoy seeing our families at these special events.

This morning it was great to invite the Parents and Carers of Teams Jupiter and Venus to see their classrooms and to find out more about what learning looks like. It was great to see so many people together in school.

Finally, I can't go without mentioning our Bikeability team who were busy cycling around the local area this week. They have been superstars and should be very proud of the resilience and determination they have shown over the last couple of days to achieve their Level 2 Bikeability award! Well done to them all. We are super proud!

Have a lovely weekend,
Caroline Towler, Headteacher

Help us to keep our children safe around school

Please don't let your child play on the playground equipment

When dropping off or collecting your child please can we ask that you don't let your children play on the outdoor play equipment on the playground. We are unable to supervise children at these times. School is not able to allow children to play on this equipment if school staff are not supervising the children. We appreciate your support with this.

Please don't use mobile phones or smoke on school site 📱

Please help to keep our children safe by ensuring families don't use mobile phones in the school grounds. Can we also ask that Parents and Carers don't smoke cigarettes or vape whilst on site or around children near school gates.

Please don't bring dogs on site

Can we ask that families do not come into the school site with dogs.

Thank you for helping us keep our school safe.
