*A message from Miss Towler...*

Dear Parents and Carers,

This week bizarrely has been all about sticky stuff! In our recent staff curriculum meetings, within the children's learning and in our Governing Body meeting we have been discussing all about sticky knowledge. We want our children not only to be able to enjoy their learning but *remember* it. As part of the learning, it is essential that the sticky knowledge stays with them forever. This means effectively an alteration has happened to the children's long term memory. How can you help as Parents? It would be great if you could ask your child what they *learnt*... not what they *did*. They should be able to tell you what they now know that they didn't before. Let us know if the learning has stuck!

Have a lovely weekend,  
Caroline Towler, Headteacher

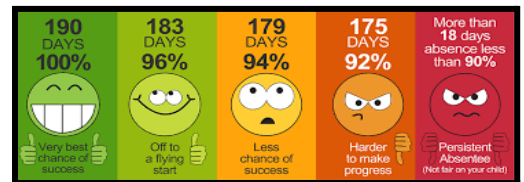

**Our school attendance this week is: 98.37%** 😊

Our school attendance target is 97%.

**Saturn: 98.80%** **Venus Reception: 92.50%**

**Jupiter: 99.26%** ~ Top team attendance **Neptune: 98.75%**

\*As Government guidance states, your child's attendance is compulsory in school and unless they are unwell we ask that you ensure they are in school, on time, every day.
