

PE and Physical Activity

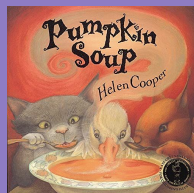

We will continue working with Mr Jeff, we will be exploring different ways of moving. Developing fine motor skills through mark-making, threading, painting, using pegs, tracing and clay.

Maths

We will be looking at ordering numbers 1-5. We will explore the composition of numbers to 5 using part whole models. We will continue looking at simple 2D shapes and patterns.

Communication & Language

We will talk about people in our community that help us and people that are special to us and why?

Who Are You?

Autumn 2

Literacy

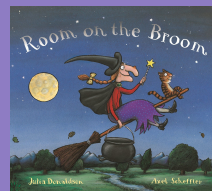

Reception children will continue with the Little Wandle Phonics. All children in Team Venus will practise reading CVC words and writing CVC words. We will also listen to lots of stories linked to our topic and themes.

Expressive Arts & Design

We will be singing and practising acting ready for our Christmas Production. We will have art-focused activities e.g. Firework pictures. We will continue to explore our 'Cosy Corner' resources.

Understanding of the World

We will continue exploring our local area and Tadcaster with a trip to the park. We will begin to make comparison between seasons looking at similarities and differences

PSED

We will continue to work hard at becoming kind, caring and independent members of our team. We will talk about our emotions and celebrate our talents. We will begin to look at how our actions can affect others.

Music

We will be singing songs as a group and solos. We will be singing games. We will playing instruments to the steady beat and moving to music. We also be performing Christmas songs.
