## *A message from Miss Towler...*

Dear Parents and Carers,

It has been a very busy week which started with our Ebor Peer review team. There was lots to celebrate with recognition for our wonderful pupils who shone throughout the day. The highlights were definitely the quality of our Early Years provision, how we teach reading throughout school, behaviour and our personal development offer including wellbeing provision and enrichment (extra-curricular provision and specialist teaching).

A special thank you to those Parents and Carers who spoke to representatives from Ebor. They were very pleased with what they heard from you and this is very much appreciated.

We do ask that families complete the following Ofsted link which will help us capture Parents and Carers views. Thank you to those who have completed it already. I have shared this information with the team and they were really pleased to see such positive feedback: [Ofsted Parent View](#)

Have a lovely weekend,  
Caroline Towler  
Headteacher

### **Attendance award for TPA! 96.7%**

We have won an award for our amazing attendance. We are in the top 10% of all FFT schools in England for last term's attendance data. Well done to all our families for their efforts to ensure their children are in school, on time, every day!

## **Our school attendance this week is: 97.71%**

Our school attendance target is 97%.

Neptune: 98.18% Top Team Attendance 🏆

Jupiter: 97.86%

Venus Reception: 97.78%

Saturn: 96.80%

**\*Your child's attendance is compulsory in school and unless they are unwell, we ask that you ensure they are in school, on time, every day.**

## Help keep our school community safe

Please can we ask that Parents and Carers **do not park** on Sandfield Terrace to ensure that we keep our families safe. It has been reported that some families are parking on the road at drop off and collection time. Our priority is keeping our families safe. Please help us to do this.

## Keeping Safe Online with Mr Ramzan

Please see the images below for more information regarding how we teach children in our school to keep safe online using the acronym SMART. See if you can quiz them what each letter stands for!

### SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

### MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

### ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

### RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

### TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)
