A message from Miss Towler...

Dear Parents and Carers,

In school over the last few weeks the team have been looking at the assessment of our foundation subjects and picking out the key information we would like our children to learn and remember after they have been learning about the different aspects of history and geography for example. In recent curriculum staff training we have created our five keys knowledge organisers that will help up to identify what the children will have learnt and what more they need to help them secure their understanding. We will begin to use these for our next topic – Eureka and will share more once we return to school after Easter.

It is really important to us that the learning opportunities the children have are engaging and that the learning sticks!

Best wishes,

Caroline Towler
Headteacher

Easter lunch changes

On Friday 31.3.23 we will have an alteration in our school lunches next week as we will have an Easter Lunch. This will include chicken nuggets and chips and an Easter Bun. We will have the Friday option for Fish and Chips on Tuesday instead. Fish and Chips will replace the Mexican rice option. These changes haven't been made on Parentpay so please let the school office know if you would like to make any changes to orders you have already made.
