

A message from Miss Towler...

Dear Parents and Carers,

This week has seen our children move up to their next year group. The children had a fantastic couple of days making new friends and having fun learning what it was like to be in the year above. Well done to the children for being so positive about their transition days.

Our Pupil Parliament representatives had a fantastic afternoon on Thursday afternoon with Mrs Roche and myself. After a taxi ride to York, a very tasty buffet and a movie screening of 23 school's videos of what they achieved as part of the Global Goals initiative, the children loved meeting with other Pupil parliament representatives. I was incredibly proud of the children and the work they put into helping our planet.

On Monday, Mr Foster and Mrs Bairstow took nine Year 5 and 6 children to a girl's football tournament at Staynor Hall, Selby. The children were such good representatives of our school and certainly got stuck in winning all of their games! Well done girls!

Have a lovely weekend,

Caroline Towler, Headteacher

Pupil Parliament on tour

Our school attendance this week is:

Our school attendance target is 97%.

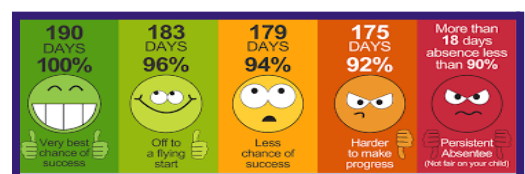

This week's R-Y6 attendance is: 96.67%

Venus Reception: 97.78% Top Team attendance :)

Neptune: 97.58% Jupiter: 97.14% Saturn: 94.83%

Venus Nursery: 93.52%

*As Government guidance states, your child's attendance is compulsory in school and unless they are unwell we ask that you ensure they are in school, on time, every day. Thank you.

Dates for your diary for the coming weeks

Parking near school

Please remember that our school car park and Sandfield Terrace are not to be used by Parents and Carers for parking at drop off or collection time. Take a look at these reminders about parking near school. Dangerous parking is an increasing issue around schools, putting the safety of children and others at risk. Parking on zig-zag line or pedestrian crossings can cause visibility issues to drivers and people walking on the pavements.

- Stopping or waiting on a double yellow line is strictly prohibited
- Double yellow lines prevent vehicles owners from parking or waiting in the area at any time.
- Single yellow lines prohibit parking during specific times

Please help our children to keep safe by leaving the car at home where you can.

What an amazing Summer Fair we had!

Thank you to all of the families and friends of school who came along to spend their spare coins at our annual Summer Fair last Friday evening. We were really pleased with the final figure and thank

every member of TPAC and staff who gave up their evening to raise funds for our school.

Thank you!

Total amount raised

£1700.01

From the Summer Fair!

Thankyou to everyone that came and supported our Summer Fair

Keeping safe near water

Recently, the children in all year groups took part in some online learning linked to keeping safe near water. The online drowning prevention assemblies were age appropriate and helped the children understand the dangers when being near open water. In a town with a river it is so important that our children are educated on the risks of playing near or in rivers and streams.

With around 85% of accidental drownings occurring at open water sites, many occur due to the lack of knowledge and understanding of open water safety. Our children know that the shock of cold water can make swimming difficult and increase the difficulty in getting out of water. Also the depth of water is unpredictable and strong currents can rapidly sweep people away.

Take a look at some of our children's advice below:

'A red flag shown at the beach means 'Danger.'" Olivia (Venus)

'Don't go to near to water as it can be dangerous, it can be dangerous because we don't know how deep it is.' Millie (Venus)

'We are not allowed to swim in reservoirs as in some places it is really deep.' Harry (Venus)

'Call 999 if there is an emergency a red flag means NO SWIMMING!' Payton (Jupiter)

'Spot the danger near a canal because it is not safe. You don't know how deep it is.' Amir (Jupiter)
