

### Communication & Language

We will talk about people in our community that help us and people that are special to us and why? We will talk about why and how people can help and support us.

### PE and Physical Activity

We will continue working with Mr Jeff, we will be exploring different ways of moving. Developing fine motor skills through mark-making, threading, painting, using pegs, tracing and clay. We will be using the bikes, trikes and scooters to practise our gross motor skills and ensuring we can navigate safely around the outdoor area.

### Maths

In Team Venus reception we will explore the composition of numbers to 5 using part whole models. We will continue looking at simple 2D shapes and patterns. In Team Venus nursery we will continue to focus on numbers 1-5 and how these numbers are made. We will practise counting accurately and begin to reason and problem solve.

### Literacy

Team Venus Reception will continue with the Little Wandle Phonics learning lots of new sounds including some new digraphs (2 letters that make 1 sound).

Reception children will practise reading CVC words and writing CVC words. Team Venus nursery will continue listening for initial sounds and begin to listen out for sounds in their environment.

### Expressive Arts & Design

We will be singing and acting ready for our Production. We will have art-focused activities based around things that are happening throughout the half term such as bonfire night, Diwali, Christmas and much more. We will continue to explore our 'Cosy Corner' resources as well as our special role play area to support with our People Who Help us topic.

### Understanding of the World

We will continue exploring our local area and Tadcaster with a trip to the park. We will begin to make comparison between seasons looking at similarities and differences. The children will be heading out for 'Leaf Hunts' and exploring the sounds we can hear in our outdoor environment.

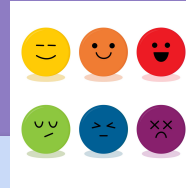

### PSED

We will continue to work hard at becoming kind, caring and independent members of our team. We will talk about our emotions and celebrate our talents. We will also look at lots of scenarios around the classroom such as using kind words, tidying up, stealing and thinking about how our actions can affect others. The children will continue to check in every morning to say how they are feeling and why?

## People Who Help Us Autumn 2

### Music

We will be singing songs as a group and solos. We will be singing games.

We will also start to learn our songs for our Christmas Nativity. The children will be taking part in a performance for all parents/carers nearer to Christmas. We will also be learning lines from our production along with some stage direction.
