## A message from Miss Towler...

Dear Parents and Carers,

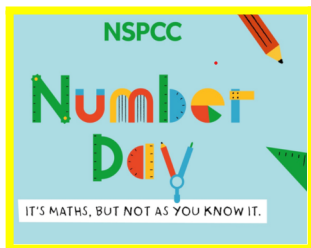

We have definitely been loving our learning this week! Thank you to all those families who were able to join us this morning for NSPCC Number Day. We really appreciate the time families have given up to come into school and for those that were unable to join us please take a look at Twitter and below to see some images of the fun that was going on. Thank you for your generous donations and for

supporting your children to find something to wear with a numerical theme...certainly not an easy one!

We have enjoyed exploring our local community this week as we welcomed Chris from Towton Battlefield Society into school. The children were really engaged in lots of discussions about the past as part of our local history theme and the children loved looking at the weapons and armour that Chris brought into show the children.

Have a wonderful weekend,  
Caroline Towler, Headteacher

## NSPCC Number Day

What a fabulous morning we had welcoming in so many of our families for the **NSPCC Number Day**. It was a wonderful opportunity to celebrate maths and our families certainly got stuck in to the number challenges! It was also great to see so many of the children dressed up as part of the theme. I am pleased to share that we

raised a total of £75.35 which will go to the NSPCC. Thank you to everyone who contributed to a very good cause.

We heard lots of fantastic feedback from families who enjoyed finding out more about the maths that the children learn in our school. The children also shared that they loved having their families in school. See below for some quotes from the children which were compiled by Niamh in Y6:

*Sam: 'I enjoyed getting on the world leaderboard on Maths Shed.'*

*Eden: 'I had fun when the Parents came in and we did Maths with them.'*

*Samuel: 'I loved showing parents the maths magic trick.'*

Our school R-Y6 attendance this week is: 93.98%

Our school attendance target is 97%.

Nursery : 92.77%

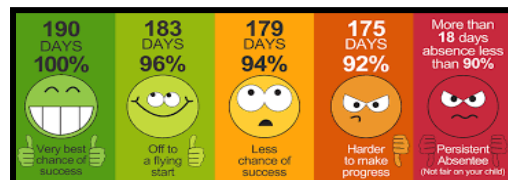

Reception: 90.77%

Jupiter: 88.80%

Neptune: 98.33% Top Attendance

Saturn: 96.00%

\*As Government guidance states, your child's attendance is compulsory in school and unless they are unwell we ask that you ensure they are in school, on time, every day.

### Updated: Dates for your diary for the coming weeks!

Dates	What's happening at TPA?
5th - 11th February	Children's Mental Health Week -The theme for this year's Children's Mental Health Week is 'My Voice Matters'. ## Spotlight on... #TadcasterPE

### Spotlight on Team Saturn

This half term team Saturn has been exploring gymnastics. The end outcome for Saturn is for them to create a partner sequence. Each week we have been exploring a variety of skills such as canon and unison, matching and mirroring shapes, jumping and rolls. The team has worked really hard so far and our sequencing and teamwork has been brilliant. I am really looking forward to seeing their final partner sequence, with all the skills involved next week.
