A message from Miss Towler...

Dear Parents and Carers,

We have been talking lots about e-safety over recent weeks and the children have been exploring how to keep themselves safe online when using different devices. We have organised for our local police officer, PC Nick Woods to come into school on Thursday 19th June to offer some additional guidance on how families can help to keep children safe online when at home as well. We will be having a special Open Morning, a little like the one we had recently for Maths on NSPCC Number Day but for this event we will be looking at how to use different devices safely. As part of the morning, families will be welcomed into the children's classes to learn more about how we teach children e-safety. Please keep the date in the diary as I know the children will really look forward to showing off what they know.

Have a lovely weekend.

Caroline Towler,
Headteacher

TPAC update

We have a fair few dates in the diary now for the rest of this term. We are pleased that there will be our usual Father's Day shop for the children to buy gifts for fathers and grandparents (date to follow shortly). We have also been organising an exciting sports sponsorship event which will involve Five Star Sports. This will be great fun for the children and will hopefully help us raise lots of money for school!
