### **Tadcaster Primary Academy Writing Progression**

Writing skills are also developed on a daily basis. We aim to create real, purposeful and engaging contexts for writing; children have opportunities to work independently, in pairs and in small groups with an adult. Children progress from writing to entertain and inform at Key Stage 1 in line with guidance from the National Curriculum to developing skills in a range of purposeful writing to Inform, Entertain and Persuade at an age appropriate level. Deconstructing stories using Tales Toolkit symbols/Drawing club in EYFS and Talk for Writing is used in Year 1 to develop children's ability to retell stories and other texts. Picture books are used for discussion and to inspire story writing. The use of short films is an important stimulus for writing and comprehension in Key Stage 2 alongside Talk for Writing which provides models for writing a range of non-fiction genres. There is much emphasis on spelling, handwriting and grammar as well as composition. English lessons aim to include a grammar focus in context, alongside a focus on high quality oral work and written work linked to the class story or non-fiction focus. Whilst vocabulary is introduced in context in the course of our English units of work, KS2 spellings are taught through Spelling shed: a complete scheme of work organised into 36 weekly word lists for each year group, embedding logical progression and review.
