## A message from Miss Towler...

*Dear Parents and Carers,*

*Reflecting on the last nine weeks of school since we returned in September we really have achieved such a lot. With visitors in school such as PCSO Joe Spooner and Ruth Haynes from My Money, fantastic trips to Yorkshire Sculpture Park, the Everybody Dance event at York Theatre Royal and exciting learning going on including the recent fencing session we are all very much blessed to be part of Team TPA. The commitment from our staff team, the fundraising efforts of TPAC and the drive of our school governing body have a significant impact on the success of our school. With supportive Parents and Carers and of course the best children in the world (we are very biased!) we have the ingredients for a fantastic school. I am sure some of the prospective new families who have visited our school won't mind me sharing how complimentary they have been about our school after visiting Team TPA as they certainly recognised the uniqueness of our school ethos and values.*

*On Monday evening I had the pleasure of joining Team Neptune at the Everybody Dance event which was held at York Theatre Royal. The children were an absolute credit and made both Mr Sands and myself very proud. They performed brilliantly as the headline act and I know the parents and carers who came to watch loved every minute of it! Check out more pictures on our recent Instagram reel at Tadcasterprimaryacad.*

*Best wishes,*

*Caroline Towler,  
Headteacher*

## Your Weekly Attendance Update

Every day at school counts. Even a few days of missed school can have a significant impact on a child's education and future prospects.

At primary school, children who attend school nearly every day in Year 6 (95-100% attendance) are 30% more likely to reach the expected standard in reading, writing and maths compared to similar pupils who attend 90-95% of the time.

As a parent or carer, you have an important role in making school attendance a priority. Only keep your child off school when they are genuinely too ill to attend. Book medical appointments and holidays outside of school time and talk to your child's teacher or our pastoral Lead, Miss Bell if you're having difficulties with attendance. We are here to help so please ask.

Don't forget your odd socks... parents can join in too this Monday! 😊

Odd Socks Day is an annual event that marks the start of Anti-Bullying Week, held to celebrate what makes people unique and to raise awareness of bullying. To participate, everyone is encouraged to wear odd socks to school to show that it's okay to be different.

We will be learning more about this and other aspects throughout anti-bullying week which will run throughout the week and will be the focus of our Wellbeing Wednesday session and our PSHE lessons with Miss Bell.

This year's focus is Power for Good where our goal is to empower children and young people to use their Power for Good to speak out, support others, and build a world where kindness wins. Ask your child about one of the most important mantras we have in our school, 'We put kindness first' which links brilliantly with this year's theme.

### Children in Need - Thursday 13th November

We are really excited to share that we will be celebrating Children in Need next week. Due to Friday 14th November being a school Training Day we will be holding our Children in Need day on Thursday the 13th November. Children are welcome to attend school in something 'spotacular' spotty, cheerful or yellow for the day. As an alternative children are welcome to come in non-uniform. We are pleased to share that we have a QR code to scan to make a donation to this very good cause. This year there is an exciting 'Challenge yourself to 25' fundraising campaign as well where we will be having a go at a cha cha cha routine to the song 'What Makes you Beautiful.'
