## A message from Miss Towler...

Dear Parents and Carers,

This week I had the pleasure of a trip to the seaside however it wasn't quite a trip to the beach but in fact a chance to carry out a visit and review of another Ebor school which is in Filey. It is not everyday that your lunch break is interrupted by an overzealous seagull. Here in Tadcaster we are more likely to see Reggie the red kite rather than Sammy the seagull! It is always lovely to visit other schools to meet children and staff and of course it offers a great opportunity to share ideas and reflect on how we are doing too.

With a similar theme, please see overleaf where there are details regarding our coffee and catch up which has been added to the dates for this term. On Friday 6th February families are invited to come for a wander around school and to have a coffee and a chat about all things TPA! Please click on the link over the page and book your spot. Our Chair of Governors, Kerry Lee and myself are both looking forward to meeting with families to discuss the priorities for the year and to hear your feedback.

Have a lovely weekend,  
Caroline Towler,  
Headteacher

# Congratulations

Miss Wilson!

We have a fabulous bit of news to share with our families about one of our staff members, Miss Wilson. As most of our families know, Miss Wilson works in Team Neptune as an Assistant Teacher and also works as part of our Wrap Around Care Team.

I am really pleased to share that Miss Wilson has successfully completed her assistant teacher apprenticeship. Miss Wilson passed her qualification with a distinction which is absolutely fantastic and all of the team are incredibly proud of her! Congratulations!

## Attendance Matters

Our school attendance this week for Y1-Y6 is: 93.4%

Our school attendance target is 97%.

Team Saturn: 95% Top Team Attendance!

Team Neptune: 94% Team Venus Reception/Y1: 92.2%

Team Nursery: 91.2%

\*As Government guidance states, your child's attendance is compulsory in school and unless they are unwell we ask that you ensure they are in school, on time, every day.

Hello!

I am messaging in my new role with a link to what may be useful information to families! This link has some really good online training for parents and professionals who care for children with speech and language communication needs.

## Weekly Attendance Update

Today you will have received a notification on Arbor which shares your child's weekly attendance figure. These will be sent through every week so families are aware of their child's weekly attendance. We are required to share this information with all families and it is automatically generated on a weekly basis. We do understand that children are unwell and that they may be absent from school from time to time. As we have shared in previous newsletters all schools are expected to closely monitor children's attendance and so Parents being made aware of their child's attendance is part of these requirements.

### TPAC Update

Since our last update, we've funded some solar-powered, motion sensor, lights to be fitted along the Early Years fence. We hope to illuminate the walkway into school on these dark nights and mornings. We've also funded some large display boards for Team Venus to present all their fantastic work!

We're now on with planning events for the year and have some dates for your diaries:

- \*Wednesday 4th March- TPAC meeting at 21 High Street
- \*Thursday 12th March- Mother's Day gift shop
- \*Tuesday 24th March- Sparkle & Shine Disco
- \*Friday 19th June- Summer Fair!
